Περιγραφή είδους:
Τρεις ενότητες/συλλογές της βάσης δεδομένων JSTOR, ήτοι Arts & Sciences I & II, Health & General Sciences

1. Arts & Sciences I: archival journal collection of 115 head titles. Core research and society publications in the following disciplines: Economics, History, Political Science and Sociology.
3. Health & General Sciences: archival journal collection of titles in General Science and Health Sciences. It’s a subscription to a nonexistent archival collection on the official website of the Publisher, because it has been substituted by the Life Sciences Collection, after the merger of the Biological Sciences and Health & General Science Collections into a single multidisciplinary collection.
