"Students Helping Students"

Our mission is...

**the enrichment of society
through international students**

Our goal is...

**to help YOU make the
most of your Erasmus**

Our causes

A group of people are exercising outdoors on a grassy field. Some are standing with arms raised, while others are in motion. The background shows a clear sky and distant hills.

HEALTH & WELL-BEING

A large group of young people, mostly students, are posing for a group photo. They are wearing lanyards and some are holding a banner that partially reads "YESN".

EDUCATION & YOUTH

A group of people are gathered in a park-like setting with trees and a fence in the background. They appear to be engaged in an outdoor activity or event.

**ENVIRONMENTAL
SUSTAINABILITY**

A diverse group of people, including men and women of various ages and ethnicities, are posing for a group photo outdoors. They are all smiling and looking towards the camera.

SOCIAL INCLUSION

A wall is decorated with numerous small flags from various countries, including the United Kingdom, Spain, and others. The flags are hanging from a string, creating a colorful display.

CULTURE

A group of people are gathered indoors, possibly in a community center or a meeting room. They are standing and looking towards the camera. Some are holding small objects or toys.

SKILLS & EMPLOYABILITY

The background image shows a university campus scene. On the left, there is a two-story building with a flat roof and several windows, partially obscured by trees. To the right, another building is visible with an American flag flying on a pole. The foreground consists of a grassy area and a paved path. The entire image is covered with a semi-transparent blue overlay.

The University

Department of International Affairs

Responsible for all the Erasmus+ students of the university.
Will confirm your arrival to the university.

Departmental Coordinator

Responsible for all the Erasmus+ students of your department.
Helps you with the learning agreement & classes.

WIFI ON CAMPUS

The screenshot displays the UPnet portal for the University of Patras. The header includes the UPnet logo and navigation links for services, support, announcements, and communication. The main content area is titled 'Wireless Network' and explains the university's commitment to providing secure internet access. It lists two types of networks: 'eduroam' for all users and 'Upatras Guest' for visitors. A sidebar on the right offers a 'wifi.map' button, a list of useful links like 'Upnet ID' and 'F.A.Qs.', and a section for service manuals for Windows 10, Android, and iOS. A pink arrow points from the text 'Upnet Portal' to the sidebar area.
